## APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application,  
and do hereby grant the same, subject to the following limitations and  
conditions: This Permit is issued subject to all prior rights. It is  
understood that the 0.2 of a cubic foot of water per second  
herein granted is only a temporary allowance and that the final water  
right obtained under this permit will be dependent upon the amount of  
water actually placed to a beneficial use. A suitable measuring device  
must be installed and accurate measurements of the water placed to a  
beneficial use must be included in the proof of such use when filed.  
The State reserves the right to regulate the use of the water herein  
granted at any and all times.

The amount of water to be appropriated shall be limited to the amount  
which can be applied to beneficial use, and not to exceed 0.2  
cubic feet per second.

Actual construction work shall begin on or before September 1, 1931

Proof of commencement of work shall be filed before October 1, 1931

Work must be prosecuted with reasonable diligence and be completed on or  
before September 1, 1932

Proof of completion of work shall be filed before October 1, 1932

Application of water to beneficial use shall be made on or before  
September 1, 1934

Proof of the application of water to beneficial  
use must be filed with State Engineer on or before October 1, 1934

WITNESS MY HAND AND SEAL this 9th day

of April 1931.
